

- **CAT6 specification**
- **No special tool needed**
- **Easy installation**
- **Gold plated RJ45 connectors**
- **Compatible with CAT5, CAT5E, CAT6 and CAT6A cables**
- **1 Gbps speed guaranteed**

Overview

This RJ45 gold plated male connector is easy-to-install without any special tools. Can be used on CAT5, CAT5E, CAT6 and CAT6A cables.

RF and electrical specifications

		MHz	Min	Typ	Max	Unit	Notes
Contact resistance					20M Ohms		
Insulation resistance			250M Ohms		250M Ohms		@500 dc
Withstand voltage	DC1000V AC700V RMS 60HZ, I MIN						
CAT6 permanent link	Conform to ANST/TIA/EIA 568B.2-10						

Mechanical and other specifications

		MHz	Min	Typ	Max	Unit	Notes
Temperature range	Operational		-10		+60	°C	
	Storage		-40		+70	°C	
Mechanical	Plastic material	PC					
	IDC material	PC					
	IDC life	750 time min					
Type	Unshielded CAT6 toolless plug						
	Colour	White					
Packaging	2 connectors in a ploy bag with barcode sticker (5055146401506)						
Certificates	ROHS + REACH+ WEEE compliant
